

Deigan & Associates, LLC adds Staff in Lake County

Deigan & Associates, LLC, Environmental Consultants/Contractors of North Chicago, IL. is pleased to announce that Brian Morin has joined us as a Sr. Project Manager. Mr. Morin has 26 years of experience in a wide variety of environmental project work with specialization in remediation construction management, asbestos abatement, demolition management, underground storage tank removal, soil and groundwater remediation, IEPA LUST reporting, field work implementation, report preparation, and Phase I and II environmental site assessments. Mr. Morin holds numerous environmental training certifications including Illinois OSFM/International Code Council UST Decommissioning license, 40-Hour OSHA Hazwoper and 8-Hour Supervisors training, OSHA Permit-Required Confined Space Entry Supervisor, Asbestos Abatement Contractor/Supervisor, Asbestos Building Inspector, Lead-Based Paint Abatement Contractor/Supervisor, and Lead-Based Paint Inspector. Brian will be an excellent addition to our client-focused, results driven project teams.

Deigan & Associates, LLC provides strategic environmental consulting to industry, underwriters, developers, contractors, and municipal clients. Visit us at www.deiganassociates.com for further information.
